About Tusidhis Spice Marketing

A company rich in taste

Spices and aromatic herbs are our calling. Our excellent products are supplied to both small local retailers and to national large-scale distributors and are often chosen by many food companies to make their produce more special.

Our experience is highly consolidated, and together with the quality of raw materials and the wide range of products it preserves us among the best national brands in this industry.

What We Do

A Centre of Flavours

Having been in the world of Spices for over 40 years, we owe today's success of the company to our passion and experience. The small factory we had at the beginning has become an innovative manufacturing facility where we now pack the finest spices and herbs in house. This makes up our product lines of flavourings, mixes and seasonings which bring the different tastes of the world onto your table.

Our Promise

Always the First Choice

Our experience is highly consolidated, and together with the quality of raw materials and the wide range of products it preserves us among the best national brands in this industry. We communicate this promise to our suppliers and are dedicated to jointly work towards delivering the same to our customers.
